

# Holiday snaps

BY JIM MURTY

**I** SOMETIMES wonder how my fellow peregrinos from last year's Camino are, and if German Andy and Brazilian Anna, who met on the Way, got married in the end. A couple who did are my friend Lisa from CaminoWays.com and Eric, pictured... and at the end of the Portuguese Way, in Santiago, no less! I'm welling up, as I write. CaminoWays.com offers seven nights/eight days. From €740pps, including half-board, airport

transfers for the group, English-speaking guide, luggage transfers and holiday pack with practical information

For more information on the Portuguese Coastal Walk and other walks, visit [caminoways.com](http://caminoways.com). Ring (01) 525 2886.
