

DO SPAIN THE PILGRIM WAY

IT'S a rite of passage so popular they even made a film about it — so why not make like Martin Sheen in *The Way* and star in your very own Camino de Santiago adventure?

Dublin-based caminoways.com has even compiled a beginners' ebook to its eight package trails to the tomb of St James in northeast Spain. Prices start at around €545 (for a dramatic coastal Finisterre Way five-nighter) and there's a ten per cent discount on bookings for 2016.
